

Academic Alliance 2.0

What is Academic Alliance 2.0?

Through a partnership between the school district and the campus, students can earn credits for high school and college courses simultaneously by taking college courses that are:

- At the high school
- During the regular school day
- Taught by qualified high school teachers working with a UW-Richland faculty liaison

To find out more, visit <https://richland.uwc.edu/academics/special-programs/alliance>.

How much does it cost?

Students may take up to two courses simultaneously. Tuition is \$95 per credit. Courses range from 3-5 credits per course.

How is Academic Alliance different from AP?

Students enrolling in AP courses have a chance to earn college credit. Much depends on the exam. Students in AA2.0 graduate with a college transcript. Within the UW System, many courses have a direct equivalency.

Example: UW-Richland's ENG 101 = UW-Platteville's ENG 1130.

UW-Richland credits transfer to any University of Wisconsin campus and to most public and private universities in the country. See UW Transfer Information System (TIS) online at tis.uwsa.edu for UW equivalency information.

Am I eligible?

- Find out from your high school guidance counselor what Academic Alliance 2.0 classes are available to you.
- Check out the UW-Richland website for updated information on cost, transferability, application, and much more. <https://richland.uwc.edu/academics/special-programs/alliance>

How can I get more information?

Contact UW-Richland.

Brandon Fetterly, Ph.D.
Associate Dean
brandon.fetterly@uwc.edu
608-647-6186 Ext. 103

Annette Hackbarth-Onson
Assistant Dean for Student Affairs
annette.hackbarth-on@uwc.edu
