Advising & Registration
Located in Melvill Hall, the UW-Richland Office of Student Affairs is open 7:45am – 4:30pm each weekday and until 6pm on Mondays. Here you’ll find assistance with admissions, registration and advising. The Student Affairs Office also includes a Resource Center for your use as you explore careers, transfer campuses, financial aid and more.

Financial Aid
Summer financial aid availability is limited to Direct Student Loans and Pell Grant programs for students with eligibility. For financial aid purposes summer is considered the “third term” of the 2014-2015 academic year. If you attend another campus and are enrolling at UW-Richland just for the summer, contact your Financial Aid Office to discuss the possibility of a Consortium Agreement for summer financial aid. Contact Annette Hackbarth-Onson in Student Affairs with your financial aid questions. Send e-mail to: annette.hackbarth-onson@uwc.edu.

Credit Transfer
All courses offered as part of the UW-Richland summer program will transfer to other UW System campuses—and to other campuses as well. See the course equivalency chart in this bulletin for UW system equivalency information.

Application
If you wish to enroll in a summer course at UW-Richland this year, follow these basic steps:

• CURRENTLY ENROLLED UW-RICHLAND STUDENT? You do NOT need to complete another application form. You may register for summer classes via your PRISM account once you accept Terms & Conditions.

• WILL BE A NEW UW-RICHLAND STUDENT IN THE FALL OF ’15 and already have an application on file? You do NOT need to complete a separate summer application. Upon notification from you, we will make the necessary adjustments in your file and you’ll be able to register for summer coursework with the assistance of an advisor. Contact Student Affairs for assistance at (608) 647-6186, Ext. 221.

• ATTENDING COLLEGE ELSEWHERE? If you are enrolling only during the summer session, be sure to complete the UW Colleges Special Student Application form. Printed application forms are available by contacting UW-Richland Student Affairs or apply online at “Apply Online,” a link on the UW-Richland home page at richland.uwc.edu. You may also want to check the course equivalency at your “home” campus (see Course Equivalency Table) and discuss any summer coursework here with your advisor there.

Final Exam Schedule
A final examination will be part of your summer course(s). A Final Exam Day has been assigned, but be sure to check your course syllabus to verify whether or not your professor will use the designated exam day.

IMPORTANT NOTES REGARDING THE TRANSFER CHART: The transfer equivalency information listed above comes from the UW System’s Transfer Information System (TIS) available on the web at: [www.uwsa.edu/tis](http://www.uwsa.edu/tis). You may want to check TIS for more detailed information regarding transferability of these classes. Equivalency information regarding online courses is available via the TIS website. While transfer equivalency information may indicate “elective,” it is important to note that a course will typically apply in its general education breadth category. Check TIS for information as to how your campus will transfer “elective” classes in terms of general education.
