Meals

UW-Richland Food Service, located on campus, offers a variety of weekday meal plans. Breakfast, lunch, dinner, & snacks are available there. See the insert for details. In addition, full kitchen facilities are located in each apartment or in each wing of suites.

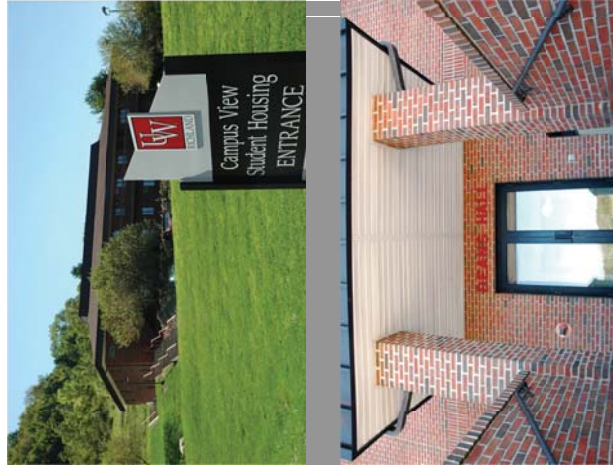

Wheels

Because of our location—directly across from the campus—some students choose not to bring cars with them so they can save on car payments, insurance and maintenance. Residence halls are within easy walking distance of the campus. This saves time, time you can use for other things—like studying, working, sports, theatre, student government, other student activities and also having fun. Parking is available if you choose to bring a car to campus.

Friends

Students from southwest Wisconsin, larger metropolitan areas, other states and other countries choose Campus View. This gives everyone an opportunity to learn more about the world and other cultures.
