

UW-Richland Employment Positions Summer 2015

Application Deadline: February 3, 2015

*** Applications accepted until all positions are filled***

Dormitory Cleaner

Staff are responsible for getting the dorms ready before and in-between programs. Attention to detail, self-starter, and a good cleaning and work ethic are a must.

Precollege

Staff will work with youth from urban Milwaukee and youth from southwestern Wisconsin entering grades 7-12. This program concentrates on teambuilding activities and academics, building the students knowledge of self and others in a supportive environment. Staff will assist either during daytime classroom based activities or night time recreation and group activities. Staff is responsible for supervising students during day and evening activities, gathering supplies for teachers each day, ensuring students are behaving, chaperoning pre-planned trips, and reporting to the program coordinator. Housing is available and all meals during the program are provided.

College for Kids and MSU

Staff will work with youth entering grades 4-8 from local school districts. This program is an educational enrichment program providing alternative and advanced experiences for children nominated by their school. Staff responsibilities include assisting in classes, supervising students while on snack breaks, distributing supplies to classrooms, returning supplies to the office, supervising students in an AM choice activity, taking attendance, and gathering supplies for teachers each day. Housing is available.

Japanese Program

Staff will work with Japanese students that will become foreign exchange students at high schools upon completion of the program. Staff will also work with American teens that assist the Japanese students during all of their classes and at night. Staff responsibilities include supervising students while on snack breaks, distributing supplies to classrooms, returning supplies to the office, gathering supplies for teachers each day, reporting to the program coordinator, supervising students during night activities, ensuring students go to bed on time, and attending daily update meetings. Housing is available and all meals during the program are provided.

Korean Orientation Program

Staff will work closely with college age students preparing for their college studies. Staff will be responsible for leading some evening activities, participating in classroom exercises in study skills, ESL, reading comprehension, and presentations.

Overnight Staff

This person is required to stay during overnight programs working from 11:00 pm– 8:00 am. This person is responsible for ensuring students are in their rooms at night, by conducting night checks. This person also does some light cleaning in between programs and during programs.
